

InSystems  
automation

InSystems Automation GmbH • Rudower Chaussee 29 • 12489 Berlin

**Declaration to the EU regulation (EC) No. 1907/2006** of the European Parliament and the Council dated 18 December 2006 concerning the **Registration, Evaluation, Authorization and Restriction of chemicals (REACH)** published 30 December 2006 in the EC-Official Journal 396/1.

Thank you for your request concerning the EU legislation (EC) No. 1907/2006 (REACH). We want to give you the following information:

Concerning articles and the present list of candidates (list after REACH regulation article 59 (1) and (10)) and our own enquiries, we can meet no statements referred to individual materials at the current time. In particular we will give to each customer of our products the sufficient and available information due to the article 33 of the REACH regulation which is necessary for a safe use of the product, at least however the name of the material concerned.

If there are any changes concerning our products, the ability in delivering or in quality we will inform you immediately in line with our business relations and if it is necessary, we try to find solutions in individual cases.

Kind regards

Berlin, 21.06.2013
